Every project has their own particularity and prices may change. These are only some guidelines about pricing of the delivered product. Variations will be exposed to the client attached to the quotation.

Images could be till 24Mpx pre-edited. We used to deliver them to the client as .tiff file with 14Mpx aprox. If you need any other size, please let us know.

In any case, please let us know your idea or what images you see in your mind's eye, and we will prepare a personal quotation for your request.

GENERAL TERMS & CONDITIONS

Payment terms are 50% at the acceptance of the quotation and 50% when the product is delivered to the client.

If a project is cancelled, we will charge the respective part of the work done.

We never deliver pictures or videos on RAW files (except if we work for other professionals photographers)

We always deliver them on an edited file.

RC insurance is included.

Flight permits excluded (once flying zone is located, we will add all necessary permits and costs to the quotation)

Prices are VAT excluded.

Displacements, travel expenses and other expenses derived from the trip to carry out the project are not included.
